**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Small ISP such as Sonic Internet allows individuals such as myself the ability to choose ISP.  
Preventing competition is a disservice for Americans because sometimes big ISP's are not ideal for every household. The less competition there is, the more expensive the Internet will cost consumers.  
This is will not be good for everybody!
